Dear General:

They tell me that St. Clair's has the best steaks in town and that's where Marcelle and I would like to have you and Nancy join us for an "appreciation" dinner on the evening of March 28 (about sevenish).

I believe you know what recent action I especially appreciate, and we want to try to retaliate in this small way.

Hope both of you can join us for an evening of fellowship.

With best wishes, I am

Yours very truly,

John S. Wilder
